 - Robotics & Motion Control

STAY IN TOUCH WITH THE INDUSTRY

Irish Manufacturing is distributed to key decision-makers throughout northern and southern Ireland, presenting the latest product developments supported by in-depth articles and comment from key players in manufacturing and processing. Concise case studies highlight recent and ongoing projects that provide practical application of the latest technologies designed to improve efficiency in the electronics, chemical & pharmaceutical, food & beverage, medical device and packaging sectors.

Irish Manufacturing is complemented by the ConnectingIndustry online portal which carries the latest industry news, comment and technologies for manufacturing and processing efficiency.
